The court of tiny miracles...

by Poupée Sauvage

in the Château of Ancy-le-Franc
3 April - 26 Septembre 2010

A truly tiny royal court of king, queen, princesses, noble ladies, servants, guards, buffoon and hunting trophies will conquer the residence of Ancy-le-Franc.

Fabulous fabric dolls, all one of a kind, magnificent and with reminiscences to fairy tales are to be seen during the 2010 season.

Small creatures as artworks or pieces of design...created especially for this exhibition.

Elegant ladies, noble and precious, sometimes eccentric, airy, rebellious, crazy and burlesque invade the space... An amazing show!

Charming princesses, sometimes vain or attractive, sometimes like talismen & lucky charms, queens like out of a dream, noble bric-à-brac figures All tender, heartbreaking, contemplative, sophisticated or modest....

Handmade in recycled materials; fabric, cloth, metal, wood, bone, plastic, plant materials...

An exhibition you have not seen before, and that you should not miss !!!
